Services of Company, even if performed on a continuous basis, should not be interpreted to mean that Company is observing, verifying, testing or inspecting all materials on the Project. Company is responsible only for those data, interpretations, and recommendations regarding the actual materials and construction activities observed, sampled, inspected or tested, and is not responsible for other parties' interpretations or use of the information developed. Company may make certain inferences based upon the information derived from these procedures to formulate professional opinions regarding conditions in other areas.

Client recognizes that unforeseen circumstances along with changes in scope and schedule can influence the successful completion of Services within the estimated cost. The use of an estimate of fees or of a "not to exceed" limitation indicates that Company will not incur fees and expenses in excess of the estimate or limitation amount without obtaining Client's agreement to do so, but is not a guarantee that the Services will be completed for that amount.

3.9 Payment Disputes. If Client objects to any portion of an invoice, Client must so notify Company in writing within 10 days of the invoice date, identify the cause of disagreement, and pay when due the portion of the invoice not in dispute. 4.3 Sample Disposal. Company will dispose of all samples after submission of the report covering those samples. Company will provide further storage or transfer of samples only upon Client's prior written request and agreement on appropriate compensation.

4.4 Buried Utilities & Structures; Property Restoration. If the Services require borings, test pits or other invasive exploratory work, Client will provide Company with all information in its possession regarding the location of underground utilities and structures. Company will contact an appropriate utility locator and take into consideration utility locations shown on drawings provided to Company by the Client to reduce the risk of damage or injury to underground structures, pipelines and utilities. The Client agrees to hold Company harmless for any damage to underground structures or utilities that are not called to its attention or are not correctly shown on plans or drawings furnished for the purpose of locating such structures and utilities. If Client desires Company to restore the property to its former condition or better, Company will provide the additional Services at an additional cost.

5. CONTRACTOR'S PERFORMANCE

Company is not responsible for Contractor's means, methods, techniques or sequences during the performance of its Work. Company will not supervise or direct Contractor's Work, nor be liable for any failure of Contractor to complete its Work in accordance with the Project's plans, specifications and applicable codes, laws and regulations. 7. CHANGED CONDITIONS

If Company discovers conditions or circumstances that it did not contemplate ("Changed Conditions") at the time of this Agreement, it will give Client written notice of the Changed Conditions. Client and Company will then negotiate an appropriate amendment to this Agreement. If they cannot agree upon an amendment within 30 days after the notice, Company may terminate this Agreement and be compensated as set forth in Section 12, "Suspension & Delay; Termination."

8. CERTIFICATIONS

Client will not require Company to execute any certification regarding Services performed or Work tested or observed unless: 1) Company believes that it has performed sufficient Services to provide a sufficient basis to issue the certification; 2) Company believes that the Services performed and Work tested or observed meet the criteria of the certification; and 3) Company has reviewed and approved in writing the exact form of such certification prior to execution of this Agreement. Any certification by Company is limited to the expression of a professional opinion based upon the Services performed by Company, and does not constitute a warranty or guarantee, either express or implied. Client agrees not to condition the resolution of any dispute upon Company signing a certification.

9. ALLOCATION OF RISK

9.1 Limitation of Remedy. The total cumulative liability of Company, its subconsultants and subcontractors, and all of their respective shareholders, directors, officers, employees and agents (collectively "Company Entities") to Client arising from Services under this Agreement, including attorney's fees due under this Agreement, will not exceed the gross compensation received by Company under this Agreement or \$50,000, whichever is greater. This limitation applies to all lawsuits, claims or actions that allege errors or omissions in Company's Services, whether alleged to arise in tort, contract, warranty, or other legal theory. Upon Client's written request, Company and Client may agree to increase the limitation to a greater amount in exchange for a negotiated increase in Company's fee, provided that the parties amend this Agreement in writing, as provided in Section 14.3 "Modification of This Agreement."

9.2 Indemnification of Client. Subject to the terms and limitations of this Agreement, Company will indemnify and hold harmless Client, its shareholders, officers, directors, employees, and agents from and against any and all claims, suits, liabilities, damages, expenses (including without limitation reasonable attorney's fees and defense costs) and other losses (collectively "Losses") to the extent caused by Company's negligence in performance of this Agreement.

9.4 No Personal Liability. Client and Company intend that Company's Services will not subject Company's individual employees, officers or directors to any personal liability. Therefore, and notwithstanding any other provision of this Agreement, Client agrees as its sole and exclusive remedy to direct or assert any claim, demand or suit only against the business entity identified as "Company" on the first page of this Agreement.

10.2 Client's Insurance. As appropriate, Client will obtain Builder's Risk or other property insurance to protect it from injury or damage to the Project, and which waives all rights of subrogation against Company. Proceeds from such insurance will be held by Client as trustee and will be payable to Company as its interests appear.

Except for Professional Liability and Workers' Compensation Insurance, all policies required under this Agreement shall contain a waiver of subrogation.

11.1 Company Documents. Unless otherwise agreed in writing, all documents and information prepared by Company including, but not limited to, reports, boring logs, maps, field data, field notes, drawings and specifications, test data and other similar instruments of service (collectively "Documents") are the property of Company. However, the paper original issued by Company will remain the final product of the Services. Company makes no warranties, either express or implied, regarding the fitness or suitability of any electronic Documents or media.

11.5 Unauthorized Use. No party other than Client may rely on the Documents without Company's prior written consent and receipt of additional compensation. Client waives any and all claims against Company resulting from the unauthorized use or alteration of Documents by Client or any party obtaining them through Client. Client will defend, indemnify and hold harmless Company from and against any claim, action or proceeding brought by any party claiming to rely upon information or opinions contained in Documents without having obtained Company's prior written consent.

12. SUSPENSION & DELAY; TERMINATION

12.1 Suspension & Delay. Client may, upon 10 days written notice at any time, suspend Company's Services. Company may terminate this Agreement if Client suspends the Services for more than 60 days, in which case Client will pay Company as provided in Section 12.4. If Client suspends the Services, or if Client or others delay Company's Services, Client and Company agree to equitably adjust the time for completion of the Services and Company's compensation for the additional labor, equipment, and other charges associated with maintaining its workforce for Client's benefit during the delay or suspension, and any charges incurred by Company for demobilization and subsequent remobilization.

12.2 Termination for Convenience. Company and Client may terminate this Agreement for convenience upon 10-days written notice delivered or mailed to the other party.

The termination notice must state the basis for the termination. The Agreement may not be terminated for cause if the breaching party cures the breach within the 10-day period.

12.4 Payment on Termination. Following termination other than for Company's breach of this Agreement, Client will pay Company for the Services performed prior to the termination notice date, and for any necessary Services and expenses incurred in connection with the termination of the Project, including but not limited to, the costs of completing analysis, records and reports necessary to document job status at the time of termination and costs associated with termination of subcontractor contracts in accordance with Company's then-current Exhibit A.

12.5 Force Majeure. In the event that Company is prevented from completing performance of its obligations under this Agreement by adverse weather or other occurrence beyond the control of Company, then Company will be excused from any further performance of its obligations and undertakings. In the event of a force majeure delay that does not result in termination of the Agreement, the schedules will be equitably adjusted.

13. DISPUTES

13.1 Mediation. All disputes between Company and Client are subject to mediation. Either party may demand mediation by serving a written notice stating the essential nature of the dispute, the amount of time or money claimed, and requiring that the matter be mediated within 45 days of service of notice. No action or suit may be commenced unless the parties fail to conduct the mediation within 45 days after service of notice; or mediation occurred but did not resolve the dispute; or a statute of limitation would elapse if suit was not filed prior to 45 days after service of notice.

13.2 Choice of Law; Venue. This Agreement will be construed in accordance with and governed by the laws of the state in which the Project is located.

13.3 Statutes of Limitations. Any applicable statute of limitations will be deemed to commence running on the earlier of the date of substantial completion of Company's Services under this Agreement or the date on which claimant knew, or should have known, of facts giving rise to its claims.

During the term of this Agreement and following its expiration or termination for any reason, neither party may assign this Agreement or any right or claim under it, in whole or in part, without the prior written consent of the other party, except for an assignment of proceeds for financing purposes. Any assignment that fails to comply with this paragraph will be void and of no effect. Company may subcontract for the services of others without obtaining Client's consent if Company deems it necessary or desirable for others to perform certain Services.

14.2 Integration and Severability. This Agreement reflects the parties' entire agreement with respect to its terms and limitations and supersedes all prior agreements, written and oral. If any portion of this Agreement is found void or voidable, such portion will be deemed stricken and the Agreement reformed to as closely approximate the stricken portions as law allows. These terms and conditions survive the completion of the Services under and the termination of the Agreement, whether for cause or for convenience.

14.3 Modification of This Agreement. This Agreement may not be modified or altered, except by a written agreement signed by authorized representatives of both parties and referring specifically to this Agreement.

14.4 Mutual Non-Solicitation. 14.9 Incorporation of Provisions Required By Law. Each provision and clause required by law to be inserted in this Agreement is included herein, and the Agreement should be read and enforced as though each were set forth in its entirety herein.
